

“We hope that the Prime Minister will soon announce our move down to Level 2, increasing the number of people allowed in gatherings to at least a hundred. When this happens, then we can resume public celebrations of **weekday Masses** starting on Thursday, 24th September at 9:15 am.

There is **no need to book to attend daily Mass**.

For our **Sunday Masses**, people wanting to attend **would have to book**. This could be done on line using a link we will provide later, by emailing (info@northcotecatholic.org.nz) or by phone (09 480 7357). Restrictions would be closely implemented. **N.B.** This will all **depend** on the announcement/ decision of the government to be released on Monday, 21st Sept.

Let us continue to pray that the world will be freed of the pandemic and that all people will be able to freely gather again around the table of our Lord as one community of faith. – Fr Lio”
